

PROVIDENCE CHRISTIAN ACADEMY

Soli Deo Gloria

Our Curriculum

Providence Christian Academy strives to glorify God through a Christ-centered curriculum that takes seriously the Biblical admonition to “examine everything carefully; hold fast to that which is good” (1 Thessalonians 5:21). For this reason, the academy does not limit curriculum selections to one source or publisher. Rather the Academic Advisory Council, guided by our infallible standard, the Bible, systematically harnesses the collective wisdom of administrators, teachers, parents, and others to build God-honoring Biblical outcomes, standards, and objectives.

The school is committed to meeting and exceeding state and national standards, so long as they are compatible with ACSI accreditation standards and our own Biblical and theological standards. We work together with teachers and administration to provide regular assessment and remediation to ensure students are meeting our standards. Our curriculum is under constant review. Our teachers and staff are consistently revising subjects and researching our standards to improve them and provide a quality education to our students. This approach allows us to ensure that we are preparing our students spiritually, academically, socially, and physically in order to allow them to realize their full potential in Christ and participate as Godly members of home, church, and society.

Some Trusted Curriculum Providers

- Abeka
